great event for everyone. We can't wait to do it again. All medals and prizes

Donations Needed!!

As we continue to learn about growing fruits, vegetables and plants, we need your help. We are asking that you help out by donating any of the following:

- Seeds
- Potting Soil
- Spray bottle
- Newspaper

Please send in donations at your earliest convenient.

Home/ School Connection:

As we are learning about recycling, we ask that you and your child create a "recycled craft" using materials that you may be getting rid of or throwing away. This project is due April 23th.

Join us Sunday, April 29th

The Eat Better Live Better 5K will be known as an entertaining extravaganza for the entire family. This event will feature an exciting itinerary that begins with a 5K run/walk and a kid's mile to help with the fight against childhood obesity. At the finish line of The Eat Better Live Better 5K there will be a kid's zone, a green market, a recycling station, health vendors, fitness and wellness classes and activities plus more. The Kids zone is an area where the children will enjoy face painting, a bounce house, arts and crafts and more. We look forward to having something for everyone! An email will follow on how you can sign up to join the TLC team.

We are now enrolling for the 2018-2019 VPK school year. Voluntary Prekindergarten (VPK) is a free program designed to prepare four-year-old children for kindergarten and build the foundation for their educational success. VPK is available to all four year olds born on or before September 1st that reside in Florida, regardless of family income. You can visit www.elcpalmbeach.org to apply for your FREE VPK voucher. Each child who participates in VPK will need a VPK Voucher turned into our facility to secure their spot. Please contact Ms. Gayle if you have any questions. Space is limited!
