

August 2018

TLC Connection
Volume 9 Issue 10
THE LEARNING CENTER
August 1st 2018

Dear Parents,

Hard to believe our summer camp is quickly coming to an end. We have had such a fun and amazing summer!

We still have a lot of fun ahead of us.

TLC Science Fair—August 2nd:

Please send a family assisted made 3-D science project to school on that day. The science project should be related to the sun, stars, moon, ocean life, dinosaurs or you may create an entire solar system. Please make sure your child does as much of the project as they can. Family members are encouraged to attend this event and assist your child/grandchild in sharing the science project with the teachers and the class. Last year's event was fantastic! Feel free to look on TLC's Facebook Page for archived pictures.

If you are unable to attend, we understand. We will be sure to post the pictures for you and your child to review together at home. We will ensure that this works out well for everyone! There will be a 1st – 3rd place winner!

School Supplies:

School supply list was sent home and is due by Friday, August 17th. Please make sure all items are labeled or the bag that the supplies are brought in is labeled, so the teachers know who brought in the supplies.

We wish everyone an amazing School Year! We will miss all of our graduates that are going off to Kindergarten, we know you will do AMAZING. Love TLC Education Team

Registration / Re-enrollment Documents:

Please visit the school office if you haven't completed the re-enrollment process. This includes signing information regarding policy changes to better benefit you, your child and our facility. The annual registration fee has been billed to your account and is due by Friday, August 3rd If your child is going into VPK and have not turned in the VPK certificate please stop by the office as soon as possible.

Enrichment Classes:

Starting the first week in September we will bring back our Enrichment classes. Stay tuned for enrichment specials.

Zumba/ Gymnastics, Karate, Art, Music and Soccer

Community Outreach:

August 15th we will be having our Annual Color Walk. We ask that parents donate school supplies, which will be donated to local Foster Children. There will be boxes set up in all the classrooms where you can drop supplies. If you would like your child to take part in this event please sign and return the permission slip.

First Day of School:

On the first day of school the students will start exploring and learning all of their new classroom rules and schedule. Please remember that our learning day starts at 9:00am so we are asking that all students arrive to class by 9:00am if you arrive on campus after 9:00am please bring your child to the office.

Drop off ends at 9:30 am unless other arrangements have been made with the office staff.
