TLC Connection
Volume 10, Issue 4
THE LEARNING CENTER
December 1, 2018

Dear Parents,

Final 2018 Tuition :

December 14th: "Final Tuition" for 2018 is due before you drop your child off that morning. Thanks in advance for your prompt response regarding this matter as we close our books for the year. Tuition for 2019 will be due starting January 2nd.

Cooking with Preschoolers:

With it being the Holiday season it is the perfect time to spend some time in the kitchen with your child. Cooking can help child learn and practice some basic math concepts and build language skills. The experience of creating meals with your child can help build their self-confidence and lay the foundation for healthy eating habits. It may take a little flexibility and some simple prep work, but with the right expectations, your time in the kitchen with your child can be a culinary adventure you'll both enjoy.

**HAPPY HOLIDAYS FROM OUR TLC
FAMILY TO YOURS! See you in 2019!**

TLC Winter Break:

The Learning Center will close on December 21st at 12:00 pm for the Winter Holidays. We ask that all parents arrive prior to noon that day. There will not be extended care on 12/21. Please arrange for alternate pick-up if needed. TLC will reopen on Wednesday, January 2nd. We hope everyone has a Happy Holiday and Safe New Year.

TLC Winter Holiday Show 2018:

Unfortunately, we were not able to book Advent Lutheran due to their Church and other pre-booked commitments. We reached out to many other venues but were unable to secure a location. So this year we will not be able to have an afterhours Holiday Show. Instead this year we invite you all to our Performance at TLC followed with Holiday crafts and gingerbread cookie decorating. This event will take place Thursday, December 20th at 3:30pm. We hope you will join us for an afternoon full of fun.

Cold and Flu Season is Upon Us!

Please honor the 24 hour rule.

To help prevent the spread of germs, please encourage your child to wash their hands often and to cough/sneeze into their elbow. Please remember if your child has had a fever of 100 degrees or more, the student should stay home for 24 hours after the temperature returns to normal without medication. If your child has vomited or had diarrhea, he/she should also stay home until 24 hours after the last episode. By limiting the exposure of the germs in the school, we can hope to have a healthy winter season .

UPCOMING EVENTS:
