

August 2024

Dear Parents,

Hard to believe our summer camp is quickly coming to an end. We have had such a fun and amazing summer!

We still have a lot of fun ahead of us.

School Supplies:

School supply list was sent home and is due by Wednesday, August 14th . Please make sure all items are labeled or the bag that the supplies are brought in is labeled, so the teachers know who brought in the supplies.

Illness:

To help prevent the spread of germs, please encourage your child to wash their hands often and to cough/sneeze into their elbow. Please remember if your child has had a fever of 100 degrees or more, the student should stay home for 48 hours after the temperature returns to normal without medication. If your child has vomited or had diarrhea, he/she should also stay home until 24 hours after the last episode. If a child comes to school with 2 or more cold like symptoms they will be sent home. So, please if you see your child is displaying cold like symptoms please do not give them medication and send them to school. Remember many of them can tell us if they had yummy or not so yummy medicine. By limiting the exposure of the germs in the school, we can hope to have a healthy school year.
